## Data Collection Agreement

This Agreement outlines the terms and conditions regarding the collection, use, and storage of data obtained from the Participant in connection with the survey conducted by the Researcher.

### 1. Purpose:

The Participant agrees to participate voluntarily in a survey conducted by the Researcher. The purpose is to collect data for scientific research and generate insights in the relevant field.

### 2. Anonymity:

The Participant's responses will remain completely anonymous. No personally identifiable information will be collected during the survey.

### 3. Consent and Voluntary Participation:

Participation in the survey is voluntary, and the Participant can withdraw at any time without penalty. By participating, the Participant consents to the Researcher collecting, processing, and using their responses for scientific research purposes.

### 4. Data Use and Sharing:

The Researcher will use the collected data solely for scientific research and will not share personally identifiable information. Aggregated and anonymized data may be shared with other researchers or institutions for scientific collaboration.

### 5. Data Security and Retention:

The Researcher will maintain the security and integrity of the collected data. Data will be retained for a reasonable period necessary to fulfill research objectives.

### 6. Participant Rights:

The Participant has the right to request access, rectification, or deletion of their data by contacting the Researcher.

By participating in the survey, the Participant acknowledges that they have read and understood the terms and conditions of this Agreement and agree to be bound by them.
